Locals And Personals

April 18th is Good Friday and a public holiday. All places of business will be closed.

The young people's class was entertained at the Parsonage recently, and the class was organized with Miss Berdie Crockett as president; vice-president, Miss Muriel Stillings; Edgar Dial, secretary, and Dean Walters as treasurer. They are to be known as the Excelsior Y. P. Class.

Wm. Matters, of New Brighton returned last Friday from Calgary, where he has been spending a few days.

Niel Stewart of Seal left on Sunday morning for Edmonton where he will spend a few days.

F. Marmion of Seal returned from the States last week.

Special Easter services will be held on Easter Day. Services at 1 and 7.30. The afternoon service will be specially for Sunday school, and the parents of the pupils. All parents who desire children baptized are requested to bring them to the afternoon service. The Sunday school is preparing a special musical service for the occasion. An Easter service and special music for the evening service.

Miss Marie Ostrander left last week to spend a couple of weeks holiday in Edmonton.

There will be Good Friday service at the Union Church at 11 o'clock in the morning.

At Oyen, where there is a general air and bustle among our mechanics and the saw and hammer so long silent are brought forth and their clatter and bang reverberate on every hand. New dwellings, new barns, new roofs and new yard fences are putting in appearances here and there, and clearly indicate a busy season of general improvement ahead.

Lawrence and Wayne Woodward returned last Wednesday from Seattle, Wash., where they have been serving in the American army.

BORN—To Mr. and Mrs. H. N. Brown, of Extel, on March 26th, a daughter.

Mr. and Mrs. B. E. Hosford and family, who have been spending the last couple of months visiting relatives in Edmonton, returned to their farm last week.

The life of an editor was saved the other day by a silver dollar in his pocket. A crank shot at him and the ball struck the dollar. Now, should we happen to get shot before you pay your subscription and there is no dollar to stop the ball, we shall presume you might have saved our life.

Mr. and Mrs. P. T. Woodall and family, who have been visiting relatives in the States, returned on Monday.

Born—to Mr. and Mrs. M. S. Young, of Marshall, Sask., formerly of Seal, at Edmonton, Friday, April 11, a daughter.

A car load of B. C. potatoes at Millers for \$1.50 per bushel.

Several cases of scarlatina are reported in town this week. The homes where the cases are have been put under modified quarantine.

E. J. Bridgeman, Opt. D., Eye, Sight Specialist and Optometrist of Saskatoon, will be at the Alberta hotel, Oyen, on Wednesday, April 16th.

MARRIAGES

ALEXANDER-MACDOUGALL

On Saturday, April 5, at the home of Mr. Malcolm MacDougall, Toronto, was solemnized the marriage of Miss Mary MacDougall and Mr. Gordon Alexander, of Bervie, Ont.

Mr. Alexander is well known to Oyen people, having spent several years in this district. He was one of the first settlers here, and up to a year ago he owned a half section of land adjoining the outside of Oyen.

The News join with their many friends in wishing them much happiness and prosperity in their new life.

MCNEE—BUSTON

At Knox Manse, Saskatoon, on Tuesday evening, April 8th, the Rev. Wylie Clark united in marriage Miss Rosina Buston, of Staffa, Ont., and Mr. Francis Sean McNece, of Extel, Alta. Congratulations!

STATIA—JEAKINS

A pretty wedding took place at Reidsley, near Bedford, England, when Quartermaster sergeant Cecil V. Statia, of the Second Canadian Light Horse Cavalry Division, was united in marriage to Miss Phyllis Jeakins. The groom is the eldest son of Editor Vance A. Statia, of the Dufferin Post and Mrs. Statia, and has been through the thickest of the fighting at the front since the start of the war. We wish the young couple every happiness and a long and prosperous journey through life.

Cunningham—Taylor

At 5 Lawrence Street, Glasgow, on 18th March, by Rev. D. Cameron, M.A., Corp. Duncan Cunningham, M.M., 72nd, Canadian, of Edmonton, Alta., to Nettie Campsie, eldest daughter of Mr. James Taylor, Glasgow.

ANOTHER OYEN BOY AWARDED MILITARY MEDAL

Pte. Bob Lewison, who has just returned from overseas, received word that he had been awarded the Military Medal for bravery in the battle of Cambrai. Pte. Lewison enlisted with the 16th Battalion in Regina, and left for France in June, 1916. Previous to enlisting he was farming about twelve miles south of town.

Mrs. J. C. Desso, accompanied by Mr. E. N. Charbonneau, left last week to visit her son William at Sedgwick, Alta., from whom her husband had received a telegram saying that he was seriously ill with pneumonia. Unfortunately the telegram which was sent on Friday did not reach Oyen until Monday, and when they arrived at his home he was dead and buried. He leaves to mourn his loss a wife and four children. We extend our heartfelt sympathy to Mrs. Desso and family in their sad bereavement.

Mr. and Mrs. Alex. Corlies left on Sunday for Champion, Alta., where they will reside.

Thomas Lees purchased the farm of Angus Macdonald's of Benton last week.

LET US BE PUBLIC-SPIRITED

Let the business men of the town be public-spirited. Be ready to enter into any scheme that gives fair promise of being for the interest of the town, and then the town will be well up with the progressive spirit of the age. But if the business men are careless and indifferent, willing to take only what comes and not ready to reach out after more customers, then the town will in all its interests, and outsiders will size it up and keep clear of it.

OYEN TENNIS CLUB

An Inaugural meeting was held in the Masonic Temple on Monday evening, the 7th inst., with the object of organizing for the coming tennis season, and more particularly of establishing the tennis club on a permanent basis. The attendance, though on the small side, was fairly representative, and the business of the evening was put through in an entirely adequate and satisfactory manner.

Mr. H. T. Lamont was asked to preside over the meeting and Max L. Smith acted impromptu as recording secretary.

The following officers were elected to hold office for the 1918 season: President: Mr. S. A. Miller. Vice-president: Mr. H. T. Lamont. Secretary-treasurer: Mr. N. K. T. Smith. Grounds committee: The president, Mr. G. P. Harbour and Mr. P. A. Moode.

All of the foregoing form the executive committee of the club.

Resolutions were thereupon passed as follows:

"That the grounds committee be given full power to secure a site for three double courts and to carry all necessary expense in this connection with a view to obtaining for the club a location that will be permanent."

"That the membership fee for the ensuing season be \$5 for gentlemen and \$2.50 for ladies, and that honorary membership be conferred upon those who do not take active part in the club's affairs, but wish to make a donation in its interests."

"That a committee of three be appointed to canvass the town for subscriptions."

The latter resolution passed amid considerable discussion, which resulted in the election of the following ladies to the membership committee: Miss L. Smith, Miss K. McIntosh and Miss S. G. Conner.

Other matters less general in character were discussed and plans for a very interesting and successful season laid. The meeting then adjourned. It may be said that since the meeting the executive have been busy over the grounds question and negotiations are now well advanced for securing a permanent site in the agricultural society grounds.

It is hoped that all in the district who are in any way interested in tennis will take notice of this report and be ready to respond to the call of the membership committee make their appeal.

Local Veterans Hold Banquet

The Oyen Veterans held a very successful banquet in the Alberta hotel on Friday evening, when about seventeen returned men sat down to a heavily laden table of all the good things which go to appease the appetite of the most finical person, and every one present was highly pleased with the way the staff of the Alberta hotel carried out the arrangements.

After the usual after dinner speeches, it was decided to organize a local branch of the Great War Veterans Association and the following officers were elected:—Pres., R. McLachlan Vice-Pres., Clyde Frey Sec.-Treas., A. McDonald. Executive committee Jim Loe, M. McDonald Chas. Stewart, H. Musgrove and R. Simpson.

Those eligible for active membership are men who have been active service overseas during the last great war. Men having served in Canada during the last war or who have seen active service in any other war with the British forces are eligible to become associate members. The members will meet every first Saturday in each month at 8 p.m. in the Whitlock Lumber Co.'s office.

Miller & Co. have just received car load of Bran and Shorts.

WALLIS

America's Foremost Tractor.

In order to select the right tractor, it is no longer necessary to be a mechanical engineer. Simply look at the tractor. If you see the name **WALLIS**, you need make no further investigation. It is safe to buy—the best tractor investment you can possibly buy. The Wallis is America's foremost Tractor.

Should you question this statement, write the editors of the leading farm papers. Ask the President of your Provincial Agricultural College. Ask farmers who own Wallace tractors. Ask anybody who is not prejudiced.

Wallis was first to combine successfully great power, light weight and durability.

The Wallis "U" frame was an innovation—a revolutionary tractor idea. So was the Wallis idea of completely enclosing all gears, including the final drive. So in the Wallis motor and

transmission which in quality of material and workmanship, cap only be compared to that of the finest aeroplanes or automobiles.

These and other advanced mechanical ideas are what enabled the Wallis tractor to break all records in low-cost-per-acre plowing—all over this country and abroad.

See the Wallis—America's Foremost Tractor. A copy of the latest Wallis catalogue—fully illustrated will be mailed you, on request.

We have one of these Tractors in stock. If you are interested, call and inspect it.

Hungary Anxious for Peace

New Army Not for Purpose of Aggression

Paris. — Reports received from Budapest by the American peace delegation indicate that the new rulers of Hungary are giving assurances that they are anxious for peace on all fronts, and that the new army they are creating is directed toward the maintenance of order and not for the purpose of aggression.

The new Hungarian officials are attempting to draw a distinction between communism, which they say they are trying to practice, and Bolshevism. They declare that they are not copying the Russian program, but are forming distinct foreign policies.

Miller's Worm Powders are complete in themselves. They not only drive worms from the system, but repair the damage that worms cause and investigate the constitution. It speeds recovery from the disorders of the digestion that are the result of the work of these parasitic invaders. They do not weaken, but supply strength and soundness follow their use.

Washington. — General Pershing reports to the war department that there still are 5,200 officers and men of the expeditionary forces listed as missing. This total compares with the British official figures of 161,800 missing and the French of 290,000.

One of Tobacco's Victims

Third Camels Resume Journey After Having a Smoke

Soldiers from the east are telling some curious stories of "cigarette fever" for tobacco. Dromedaries and camels are passionately addicted to the weed and can be made to do anything under its influence.

The driver carries a triangular piece of wood which is pierced at one point like a cigar holder. This is inserted in the beast's mouth, the cigar being then lit and pressed into the hole.

The camel immediately closes its eyes and puffs away through his mouth and nostrils till the cigar is entirely consumed. It seems to thoroughly enjoy the experience. Furthermore, the nicotine appears to excite a stimulating and refreshing effect upon the animal, so that though ready to all appearances, to drop from fatigue before his smoke, it will plod on for many more miles after it.

Mother and Son Are Both Grateful

For the Good Doctor's Kidney Pills Did Them

Cured Mrs. Larson's Sore Back, and Put an End to Her Son's Sleepless Nights

Bergland, Ont., April 7. (Special). — "I am glad to have an opportunity to give fair credit to Dodd's Kidney Pills, for the good they did me, and also my family." Says Mrs. M. S. Larson, a well-known and highly respected resident of this place. "We have been using them as a family remedy for some time."

"At the time I ordered Dodd's Kidney Pills I did it more for a fancy than from any belief in their curing value."

"That I was all in from an aching back. I caught a bad cold and that settled on my kidneys so bad that I could not sleep, and I could not work."

"When I stopped forward my back was so sore that I had to brace up my body by putting my elbows on my knees and I could hardly rise up again."

"After taking two boxes of Dodd's Kidney Pills the pain decreased and my back is fairly good unless I overwork."

"Also one of my young sons had diseased kidneys, so that he had to get up every half hour during the night. Dodd's Kidney Pills cured him and now he can sleep all night."

"I am very grateful to Dodd's Kidney Pills."

Dodd's Kidney Pills have been curing kidney ills for over twenty-five years. Ask your neighbors about them.

Mine Sweeping Off New Zealand

Victoria, B.C. — "Canada does not realize the possibilities of the Chinese trade. Canadian business men have not availed to their opportunities in the republic of China," said Dr. J. W. He expressed himself as hopeful that an early settlement of China's internal troubles would be achieved, and that as a result of the commerce of the Dominion would benefit largely.

Getting Ready for Seeding
Calgary, Alta. — Farmers throughout the south are busily preparing for spring seeding, and all reports indicate that the acreage will be the heaviest in the history of the south, provided there is need of it. It is difficult in securing seed crop. None of the farmers are curtailing their crop area to any extent because of the lack of a fixed price for wheat. However, the acreage is likely to be heavier in proportion than in years past. Last year on the Lethbridge railway division over 2,000,000 acres were seeded. This year there is likely to be well over 2,500,000 acres in crop owing to the fact that a great deal of new breaking was done, while the crop failure in certain districts resulted in land being prepared early for this year's seeding.

A Ranchman's Success

Alberta Rancher Disposes of Holdings for Half a Million Dollars

The purchase of a cattle ranch of 11,500 acres near High River, Alberta, together with three thousand head of stock for half a million dollars a few days ago was interesting not because of the magnitude of the transaction alone, but because it brought the purchaser into the foreground.

This was Roderick R. Macleay, who has long been a prominent rancher in the province.

"Twenty years ago, without capital, he came to Alberta, and by his energy and ability, has succeeded in building up a great beef producing ranch in the meantime. During the war his herd turned off over two millions of pounds. The acquisition of the above described property will place Mr. Macleay first among the great ranchers of Alberta."

But who will say that the opportunities for success in Alberta today for the man with energy and ability are not so good as they were twenty years ago?

BABY'S HEALTH IN THE SPRING

The Spring is a time of anxiety to mothers who have little ones in the home. Conditions make it necessary to keep the baby indoors. It is often confined to conditioned badly ventilated rooms and is liable to catch colds which rack his whole system. To guard against this, a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will prevent colds, constipation, or colic, and keep baby well. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the *Dr. Williams' Medicine Co.*, Brockton, Mass.

Chinese Trade Will Benefit Canada
Victoria, B.C. — "Canada does not realize the possibilities of the Chinese trade. Canadian business men have not availed to their opportunities in the republic of China," said Dr. J. W. Ross, Canadian trade commissioner to China. Dr. Ross was a passenger on the liner *Empress of Russia*, which docked here. He expressed himself as hopeful that an early settlement of China's internal troubles would be achieved, and that as a result of the commerce of the Dominion would benefit largely.

Getting Ready for Seeding
Calgary, Alta. — Farmers throughout the south are busily preparing for spring seeding, and all reports indicate that the acreage will be the heaviest in the history of the south, provided there is need of it. It is difficult in securing seed crop. None of the farmers are curtailing their crop area to any extent because of the lack of a fixed price for wheat. However, the acreage is likely to be heavier in proportion than in years past. Last year on the Lethbridge railway division over 2,000,000 acres were seeded. This year there is likely to be well over 2,500,000 acres in crop owing to the fact that a great deal of new breaking was done, while the crop failure in certain districts resulted in land being prepared early for this year's seeding.

Proposal From Russia
London. — According to the new Labor paper, the Daily Herald, the allies have received a proposal for an understanding with the present rulers of Russia, "making possible a just peace, which would immediately bring Russia into the league of nations."

Minard's Liniment Relieves Neuralgia
Alberta's Dairy Industry Growing
Despite the adverse labor conditions ruling last year, there was a fair increase in Alberta's dairy business over that of the previous year, the total production of creamery butter being 9,100,000 pounds in 1918 compared with 9,444,000 pounds in 1917. Ten years ago the total production of dairy butter amounted to 2,550,000 pounds, so that a gain of 6,550,000 pounds has been made in the yearly output during this period. During the same time the production of cheese has also increased, from 88,129 pounds to 650,000 pounds in 1918. The average number of milk cows per farm in Alberta is now 5.6.

Value of Canadian Farms
The annual report of the Dominion bureau of statistics shows the average value of farmland, including improved and non-improved land, to be \$46 an acre as compared with \$44 an acre in 1917 and \$41 in 1916. By provinces the value is highest in British Columbia, where it averages \$149 an acre, this being exactly the same figure as in 1917. The value of farm land in Manitoba averages \$32, as compared to \$31 in 1917; in Saskatchewan \$29, against \$26, and in Alberta \$28, against \$27 in 1917.

It may be hard for some people to be poor, but for others it is the easiest thing in the world.

A Mother's Tribute

THIS letter from Mrs. Roberts gives such a fine idea of the value of Dr. Chase's medicines for use in the home that we shall publish it without further comment:

Mrs. Everett Roberts, 44 Endicott Ave., Halifax, N.S., writes:

"I feel it a pleasure as well as my duty to recommend Dr. Chase's Nerve Food and Ointment. After the shock of the Halifax explosion my system was all run down, and I was so weak that I could not walk. Night after night I lay awake unable to sleep. Nothing did me any good until one of my neighbors recommended Dr. Chase's Nerve Food. After a treatment of this medicine I can positively say that my health and strength have been restored, and I can now sleep well and do my work as well as ever."

"I used Dr. Chase's Ointment for my baby, who had ringworm all over his face. I tried almost everything without success until I used Dr. Chase's Ointment. This cured him in a short time. I would not be without either of these medicines in the house, and trust this may induce others to give them a trial and be convinced of their merits."

You can scarcely ask for a stronger guarantee of the value of a medicine than the portrait and signature of A. W. Chase, M.D., on the box. This is for your protection against imitations and substitutes. Edman, Bates & Co., Ltd., Toronto.

Minutes of council meeting held at Sibbald on Saturday, April 5th, at 10 a.m.

Present: Messrs. Ayer, Caswell, Denton, Huggill, Trevelin and Young.

Minutes of previous meeting were read and adopted on motion of Councillor Caswell.

Moved by Mr. Caswell—That J. B. Watson, chartered accountant, Calgary, be appointed auditor for 1919 at a fee of \$150 for two audits. Carried.

Moved by Trevelin—That W. J. Hyler be poundkeeper for Division 4.

Moved by Huggill—That Reg. Howard be poundkeeper for Division 4.

Moved by Ayer—That A. M. Young be poundkeeper for Division 2.

Moved by Denton—That John Armstrong be poundkeeper for Division 3. Carried.

A letter was read from Arthur Grant, of Benton, asking that boys be allowed a cent for gopher tails, the same as boys in other municipalities.

It was moved by Councillor Ayer that boys be allowed one cent for each gopher tail.

Amendment by Councillor Young that two cents be allowed for each tail. Amendment lost; motion carried.

Boys will make up their catch of gopher tails in bundles of 50, and mail them to the secretary-treasurer, who will be authorized to pay for the same.

A resolution from the Benton T.P.A. asking that a road between Benton and Sibbald, according to a plan submitted to the council be approved, was after consideration duly approved of.

The following accounts were ordered paid:

H. M. Hall	\$ 2.25
P. Tufner	10.00
Gopher poison	\$10.00
Chas. Eastman	10.00
Richard Hunter	5.00
J. H. Johnson	21.00
Fern Perry	35.00
Secretary-treasurer	\$0.00

Moved by Councillor Huggill that all seed be paid for as soon as security for payments has been given by proper parties. Carried.

Moved by Caswell that we hold a special meeting on Saturday, the 15th inst. at 2 p.m. to finally dispose of all seed grain applications. Carried.

Council adjourned.

LOVEVALE ITEMS

Sapper Gus Morris, of Mulbach, returned from France last week. Sapper Morris enlisted in the 21st Battalion in Calgary in 1916. He spent twenty-three months in France.

Mr. C. J. Carter returned home from California, where he has been spending the winter visiting his brother. A chivari was arranged by the neighbors to welcome him home, but unfortunately he came home a day earlier than was expected, and what was more he came without a wife. It was a sad disappointment for the district.

A splendid time was spent at the Lovevale U.F.A. last Friday evening.

Alice Mulbach, of Mulbach, returned last week from Vancouver, where she spent the winter with her sister.

OYEN LADY CURLERS ORGANIZE FOR NEXT SEASON

The Oyen lady curlers got together a few days ago and organized a club for the next season.

Last season the ladies were quite enthusiastic, and the following president at the meeting expressed the wish that the same enthusiasm would be shown next year.

The fees which were collected last season from the members were handed over to the men's curling club for the use of the ice.

The following officers were elected for the coming season: President, Mrs. Don May; vice-president, Mrs. P. H. Peterson; second vice-president, Mrs. Lannon; secretary-treasurer, Mrs. Naismith; executive committee, Mrs. Johnston, Mrs. Wright, Mrs. Allen, Mrs. Kerr, Mrs. Budd, Mrs. W. V. Miller, Mrs. S. A. Miller, Miss Cates and Miss Smith.
